

2007 World Championships Entry Details

Entry Procedure

Entry must be made on-line via the ILCA web site (<http://www.laserinternational.org/>) full payment is required to secure your place at any event.

Allocated Entries

Allocation is based on membership numbers as supplied to the office at 30th September 2006. Note: Australia is calculated on a country not District basis. North America is calculated on a Regional not District basis. If your district is not listed in the allocations table then your membership is not high enough to have an allocation - please consider applying for places in the **Re-allocation Phase** (see below).

Emails will be distributed to the relevant region/district contacts containing the entry codes for your allocated places on the entry opening date for each event.

Membership Fees

Allocated places are subject to full payment of membership fees due September 30th 2006. There are still some districts that have not made full payment of their membership fees. Allocated places will not be released until payment has been made - if payment is not made then the places will become available in the **Re-allocation Phase**.

Re-allocation Phase

Districts can apply for further places distributed in the **Re-allocation Phase**. To apply contact the office (office@laserinternational.org), detailing how many extra places are required and the sailor's name for each place.

Application can be made at any point up to the **Initial Allocation Closing Date**. Details of further places allocated will be published on the first Monday after the **Initial Allocation Closing Date**, entry codes for these places will be dispatched by email to the relevant regional/district contacts.
